If for any reason you are unable to attend a class, I am happy for you to make it up by attending on a different day but please speak to me first.

If your little one reaches the very important milestone of his/her first sign, don't forget to tell me! And, if you manage to capture it on camera, please share it with me and I can post it onto the gallery on the website.

And finally, if you have any other queries, concerns or suggestions for the classes, please come and speak to me.
